The Beyerskloof Pinotage boasts with being South Africa's most popular and it's no wonder. This wine has shown a fruity and enjoyable consistency year after year. Classic Pinotage: A wine made to enjoy and drink on any occasion.

## TASTING NOTES

Strong red berry and plum favours with elegant tannins. Well balanced, medium-bodied wine with a fresh finish. For a full-flavoured experience, we recommend drinking young. It complements mutton dishes, pork chops on the braai, and steaming curries. Pair it with mature Cheddar or Gouda.

## WINEMAKING

Different systems of skin contact and fermentation in open fermenters, roto tanks, and fermentomatics. 6 to 8 days on skins at 25°C. After malolactic fermentation, the wine was treated with oak.

## VINTAGE NOTES

It was a cool, wet growing season that replenished the water reserves. We started harvesting the first week of February and ended the last week of March 2021. This harvest had some challenges with covid-19 sale restrictions, lockdown, and some rain that made planning difficult. Overall the quality of the wines shows lots of promise.
